Labor Law Posters: Less Than \$7 Per Month

The U.S. Department of Labor often issues labor law changes that make it a challenge for business owners to stay compliant.

ADP® strives to help our clients in more areas than just payroll. We offer solutions that help ease the burden often brought on by the need to stay compliant in an ever evolving labor law landscape.

ADP's Poster Compliance Update Service helps your company to stay up-to-date with labor law notification requirements. With this service, you will automatically receive the federal and state posters, as well as future posters, when mandatory changes in labor law postings occur.

This convenient service provides you with:

- **A Complete Poster Set** – A complete set of high quality, laminated, all-in-one labor law posters – including a federal poster and a state-specific poster – covering all mandatory federal and state-specific notices for general employees.
- **Automatically Updated** – New posters every time changes occur within significant, mandatory federal and/or state posting laws.
