1. You must log in to the myWisely app or mywisely.com to opt-in to early direct deposit. Early direct deposit of funds is not guaranteed and is subject to the timing of payor's payment instruction. Faster funding claim is based on a comparison of our policy of making funds available upon our receipt of payment instruction with the typical banking practice of posting funds at settlement. Please see full disclosures on mywisely.com or the myWisely app.
2. Standard message and data rates may apply.
3. If you have a Wisely Pay or a Wisely Cash card (see back of your card), access to certain features or loading funds from sources other than the company you received your card through requires you to verify your identity, which you can request in the myWisely app or by calling the number on the back of your card. The identity verification process utilizes your personal information already on file, which must be validated. Card may be restricted or closed if your identity cannot be verified. This may not be available to all cardholders. If you have a Wisely Direct card (see back of card), your identity has already been verified.
4. Please allow up to 3 weeks for funds to be loaded to the card after initial set up of direct deposit to your card.
5. Amounts transferred to your savings envelope will no longer appear in your available balance. You can transfer money from your savings envelope back to your available balance using the myWisely app or at mywisely.com.
